FOR IMMEDIATE RELEASE

ASHANTI CAUCUS NPP MEMBERS OF PARLIAMENT STANDS IN UNWAVERING SOLIDARITY WITH CHAIRMAN BERNARD ANTWI BOASIAKO (CHAIRMAN WONTUMI)

The Ashanti Caucus Members of Parliament of the New Patriotic Party wishes to express our unwavering solidarity with our Ashanti Regional Chairman, Mr. Bernard Antwi Boasiako (Chairman Wontumi), following the judgment delivered by the High Court today.

Chairman Wontumi has, over the years, distinguished himself as a fearless, resilient, and selfless leader whose sacrifices and commitment have significantly strengthened the New Patriotic Party in the Ashanti Region and across Ghana. His contribution to the growth, organization, and electoral successes of our Party cannot be erased by a single court decision, particularly one that remains subject to the appellate process.

While we remain steadfast in our respect for the rule of law and the independence of the judiciary, we equally affirm that the constitutional right to challenge judicial decisions through the appellate courts is fundamental to our democracy. We therefore have every confidence that justice will ultimately prevail through the appeal process.

We reject every attempt to portray this judgment as the end of Chairman Wontumi's public and political life. If anything, this moment should strengthen the resolve of every patriotic member of our Party to rally behind a man who has consistently stood firmly for the ideals of the NPP.

The Ashanti Region has always been the heartbeat of our Party, and history has shown that we do not abandon our own in moments of adversity. We stand shoulder to shoulder with our Regional Chairman and assure him that he does not walk this difficult path alone.

We further caution against the growing perception of selective justice and the unequal application of the law. The fight against illegality must be fair, impartial, and devoid of political considerations. Justice must never become an instrument for settling political scores or intimidating political opponents.

We therefore call on all members of the New Patriotic Party, particularly in the Ashanti Region, to remain calm, united, and resolute. Let us avoid actions that undermine public order while demonstrating, through our unity and discipline, that our faith in Chairman Wontumi and the Party remains unshaken.

To Chairman Wontumi, we say: Stay strong. Stay resolute. The Ashanti Caucus stands firmly with you. This battle is not yours alone, it is a test of our collective commitment to justice, fairness, and democratic principles.

United we stand. Together we shall overcome.

Signed

Hon. Vincent Ekow Assafuah Esq.

Secretary, Ashanti Caucus NPP MPs.
